Dear B. Tigger
2nd Lt.

THE WILLARD HOTEL
WASHINGTON, D.C.

Monday -

Dearest Mother & Dad:

I didn't get the money, but expect I'll get it in the next day or two. Have been needing it though. Have been broke since I got here.

It has been raining a lot, and turned cold yesterday. Played bridge all day yesterday and went to a show last night. I saw Ginger Rogers in "Tender Comrade," and it's not so hot; just a propaganda show.

THE WILLARD HOTEL
WASHINGTON, D.C.

Have been getting a lot of rest since coming here; it really agrees with me.

I'll try and call you the next day or two.

Be good and write soon!

Love,
Harold
